

## **TaHome Nature: Nocturnal Wildlife NGSS Standards**

### **Grades K-2**

K-LS1-1. Use observations to describe patterns of what plants and animals (including humans) need to survive.

1-ESS1-2. Make observations at different times of year to relate the amount of daylight to the time of year.

2-LS4-1. Make observations of plants and animals to compare the diversity of life in different habitats.

### **Grades 3-5**

3-LS3-2. Use evidence to support the explanation that traits can be influenced by the environment.

4-LS1-2. Use a model to describe that animals receive different types of information through their senses, process the information in their brain, and respond to the information in different ways.
